

LNG Tainer

**CUSTOMER PRESENTATION AT R&D PLANT KARSTULA
FINLAND**

LNGTainer had the pleasure of meeting customers at its R&D Plant in Karstula Finland week 48/2017. It was a great pleasure for us to meet customer and present our solution for the future LNG transportation. The virtual pipeline consisting of LNGTainer 50m³ containers at only 30 480 kg is a reality.

We are ready to have your enquiries and we look forward to work with you.

Here are some pictures from the event.
