

# OPPORTUNITY TO JOIN ONGOING GREEN ENERGY REVOLUTION WITH **LNGTainer**

## THE LNG TANK CONTAINER MARKET IS BOOMING

- The current global annual LNG tank container market is about 3.500 units (350 million Euro).
- Estimated to grow to 10.000 units before 2020 (1.000 million Euro).
- Our goal is to be the market leader.
- LNGTainer has signed contracts with several main gas suppliers. Our customer piloting phase and commercial deliveries will start during this year.

## GAME CHANGING PATENTED, APPROVED AND MAXIMUM SIZED LNG TANK CONTAINER

- The world's largest cargo capacity in its class.
- Lightweight, safe and durable design.

## SUPERIOR BUSINESS MODEL

- Fast scalability.
- Short lead time.
- Extremely low CAPEX and working capital investments.

## SHAREHOLDER VALUE

- Management skilled and committed to achieve exceptional rise in value.
- Exit by industrial sell or listing.
